

Utkilen AS is a fully integrated shipping company with headquarters in Bergen, Norway. The company owns and operates 16 advanced chemical tankers ranging up to 16,000 dwt. in size and operates primarily in Northern Europe. About 500 seagoing personnel work onboard our vessels and the shore organization totals about 50 employees. The company has a solid financial platform with good prospects.

We have an open position as

Ship Operator, Bergen

We are looking for a new team member in our operations department.

The operations department is responsible for commercial operations of our fleet as well as demurrage and operational performance analysis. There is close co-operation with Chartering, Ship Management and HSSEQ departments as well as our ships, customers and port agents.

We are looking for a candidate with high working capacity, who enjoys working independently as well as part of a team. Experience from operations of chemical tankers at sea and/or ashore as well as a commercial orientation and a proactive attitude is a plus. The position reports to Head of Ship Operations.

Please contact Head of Ship Operations Frode Veivåg for more information at phone +47 9177 0830.

Send a brief application with CV to e-mail: frode.veivag@utkilen.no as soon as possible.
